The Bishops' Conference plans the next two years as a period of prayer, listening and discernment, involving a nationwide consultative conversation on this theme. Following this, there will be a three-year preparation for a National Synodal Assembly.

Before embarking on the Synodal Pathway consultation, bishops are inviting submissions to reflect on what methods/models to adopt in these coming two years of conversations.

Individual and groups are invited to submit ideas as to

- how the national conversation might best be conducted,
- what hard-to-reach groups need to be involved.

For further information on making a submission go to www.catholicbishops.ie/synod . Please note that submissions are sought by 23 May 2021 and can be made directly online through that website.”
