**Reminder:** Next Friday, 2<sup>nd</sup> July, is the day for the Movement of Continuous Prayer for Marriage and Family Life in our parish. This month we are asked to pray especially for all grandparents and the elderly in our parish.

In January, Pope Francis announced that he was establishing the World Day for Grandparents and the Elderly which is to be celebrated each year on the fourth Sunday of July to coincide with the feast of Sts Joachim and Anne, the grandparents of Jesus. Pope Francis has chosen "I am with you always" from the Gospel of St Matthew as the theme for the first World Day for Grandparents and the Elderly. This theme is a promise of the closeness and hope that young and old can mutually share. Not only are grandchildren and young people called upon to be present in the lives of older people but older people and grandparents also have a mission of evangelisation, proclamation and prayer, and of encouraging young people in their faith. *"No one is saved alone. With this in mind, we must treasure the spiritual and human wealth that has been handed down from generation to generation."* (Fratelli Tutti Pope Francis.)
