We remember also the teachers, SNAs and all ancillary staff who work so hard to ensure that our schools are safe places in which to work and learn in these strange times.

**SEASON OF CREATION.** “A Home for All?: Restoring Our Common Home” Pope Francis established 1 September as World Day of Prayer for the Care of Creation following the publication of the encyclical Laudato si’ in 2015. The Season of Creation or Creation Time, is marked throughout the Christian world from 1 September to 4 October (Feast of Saint Francis of Assisi), celebrating the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. The Diocese of Derry is encouraging parishes, schools and families to reflect on what they can do to protect the environment around us all. Throughout the season, parishes are encouraged to promote environmental, liturgical or prayer projects: Nature walks, planting seeds, collecting rubbish or recycling are examples. For ideas, initiatives, prayers, liturgies and news articles on the theme please see the diocesan social media channels and [derrydiocese.org/season-of-creation](http://derrydiocese.org/season-of-creation).
